

CONDITIONS AND RULES

1. Competitors must be a member of a small bore rifle club and affiliated with their state association to compete for prizes.
2. I.S.S.F, TRA & RBA supplementary rules apply together with Toowoomba Small Bore Rifle Club.
3. Gradings are in accordance with the last QTS gradings. If any shooter is not on these gradings they must supply their last 5 club scores otherwise they will be automatically graded A grade.
4. This program may be altered at anytime at the club's discretion
5. Range register must be signed before competitor commences shooting.
6. For 2011 Metallic Silhouette will be replaced with ISSF 50m Running Boar Target.

OTHER INFORMATION

IMPORTANT NOTE:- The Toowoomba Small Bore Range is now co-located with the Toowoomba Pistol Club at Anderson Rd, Helidon. Meals will be available at the range and there will be a BBQ dinner on Saturday night. Range will be open from 6am each day and shooters can camp Fri & Sat nights. Plenty of room to camp with hot and cold running water, showers and flushing toilets. Motel accommodation is available in Helidon and Toowoomba.

ISSF 50M RUNNING BOAR TARGET 22LR.

Because our club does not yet have a 90m Metallic Silhouette range constructed, we will introduce the exciting ISSF Running Boar Target 50m match for 2011. As far as we know this is the only event of this type in Queensland and perhaps Australia.

Running target is an exciting snap shooting match that combines the accuracy of rifle with the instinctive pointing of shotgun. The match is shot with any bolt action 22LR with any sights from a standing position. We have club rifles available for you to hire for \$3. The target is a paper double headed boar with a 10 ring scoring target located at the boars front shoulder area at each end of the target. The bulls-eye is located 500mm from the boar's nose on the boar's shoulder.

The paper boar target runs in both directions across a 10m gap with a 5 second exposure and the shooter shoots 1 scoring shot for each pass and starts with the rifle stock on the hip and barrel facing upwards. The shooter gets a chance to dry fire a practice match from a neighboring bay prior to moving to the firing bay. The shooter gets 4 sighting shots (2 in each direction) and normally 40 scoring shots. Depending on the timing we may run separate 20/20 shot strings and may limit number of entries if necessary because we have a single firing point. So all you silhouette shooters and armchair hunters, come and have a go at something you haven't tried before and see who will be crowned the 2011 Running Target champion!

Google maps

Directions to Andersons Rd, Heildon QLD 4344,

Australia

24.0 km – about 29 mins

When you go up Wrights road, stick to the left and that is Andersons road.
